

// FS-ES 300/S-300 – EXPANSION JOINT PROFILES

| | |
|---|---|
| Item-no. | FS-ES 300/S-300 |
| Product group | Expansion Joint Profile |
| Load-bearing capacity car and truck (DIN 1072): stacker (DIN1055): | 30 kN (no continuous use) not permitted |
| Total movement horizontal: vertical: | 5 mm (+ 3 mm / - 5 mm) 2 mm (+/- 1 mm) |
| Product composition Profile | |
| Piece | 2 |
| Description | FS-ES 300/S, angle 30 x 40 x 2 mm |
| Material | Stainless Steel 1.4301 |
| DIN | DIN EN 10088 T2 |
| Additional information | with terminal strip (1,25 mm material thickness), length: 300 cm |
| Product composition Inlay | |
| Piece | 1 |
| Color | black |
| Material | PVC profile rubber, 65ShA black |
| DIN | - |
| Additional information | packing unit 35 meter, largely oil, acid and bitumen resistant flame retardant |
| Drawing | |
