

fuma // QUAD – SQUARE EDGE PROFILES
PVC

Item-no.	FQPV
Product group	Square edge profiles
Height	9 / 11 mm
Length	250 cm
Thickness	approx. 1 mm
Material	PVC-U (polyvinyl chloride, hard)
Colors	brilliant white, off-white (jasmine), silver grey, black
Type of plastic	Thermoplastic
Fire resistance in accordance to DIN DIN 4102-T1	B1 (flame retardant)
Operating temperature	-15 °C to +75°C
Material density	approx. 1,45 g/cm³
Chemical resistance	good resistance to acids, leaches, light and weathering
Other Properties	Factory production controls in accordance to DIN 18200.
