

fuma // ROUND – ROUND EDGE PROFILES
PVC

Item-no.	FVG
Product group	Tile trim
Height	6* / 8 / 10 / 12,5 mm (*only brilliant white)
Length	250 / 300** cm (**only brilliant white, off-white)
Thickness	approx. 1 mm
Material	PVC-U (polyvinyl chloride, hard)
Colors	BW: brilliant white AW: off-white (jasmine) SG: silver grey PG: pergamon CA: caramel SW: black
Type of plastic	Thermoplastic
Fire protection classification according to DIN 4102-TI	B1 (flame-retardant)
Operating temperature	-15 °C to +75°C
Material density	ca. 1,45 g/cm³
Tensile strength	ca. 65 N/mm²
Chemical resistance	good resistance to acids, leaches, light and weathering
Other Properties	Factory production controls in accordance to DIN 18200.
