

fuma® - Bautech

// STRONG PARTNER. STRONG PROFILE.

**// STAINLESS STEEL NICHES
AND SHOWER SHELVES**

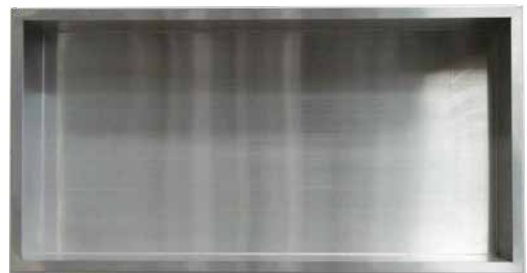

// STYLISH STORAGE SOLUTIONS FOR YOUR BATHROOM

fuma-Bautec stainless steel niches are true space-saving solutions that perfectly complement any interior with their modern and minimalist design.

Bulky and intrusive bathroom shelves become a thing of the past. With their elegant appearance and timeless colour options, these niches enhance any room – not just the bathroom.

Thanks to their smooth and compact surfaces, the niches are quick and easy to clean.

All models feature a straightforward installation process, eliminating the need for complex waterproofing and tiling work.

// YOUR BENEFITS

- stylish storage space and elegant shelving solution
- modern and timeless design feature – not just for bathrooms
- no need for additional shower baskets or bulky accessories
- high-quality material
- rust-proof and waterproof
- easy to clean
- contemporary dimensions
- available in various colours
- simple installation in wet and dry construction applications – suitable for all tile thicknesses
(Advantage compared to tiled niches with tile edge surrounds)
- includes installation frame and waterproofing kit
(self-adhesive waterproofing kit, 120 mm width)

// PREMIUM SHELVING FOR TILED LIVING SPACES

fuma-Bautec shower shelves combine elegant design with practical functionality for all tiled areas. They provide convenient storage for shampoo, shower gel and other bathroom essentials, helping to create a tidy and stylish environment. In tiled kitchen areas, they also offer a practical and space-saving storage solution.

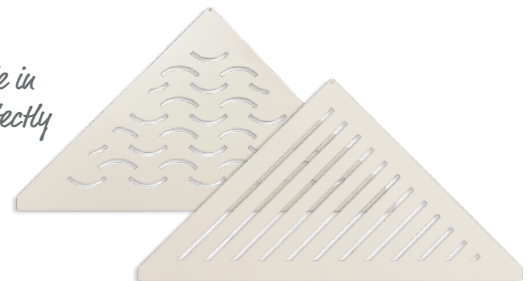

Our stainless steel shower shelves are the perfect addition to any tiled space. With a variety of designs available, they complement virtually every interior style.

Choose from 4 modern colour options, 2 surface patterns and 2 shapes – the choice is yours.

The discreet shelves are simply integrated into the grout line, allowing for easy installation without damaging tiles or waterproofing membranes. Manufactured from stainless steel, they offer outstanding durability and effortless maintenance.

NEW

Also available in cream to perfectly match our tile profiles!
